Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Bloomsburg Regional Technology Center in fiscal year 2023. The entity to receive funding for this project is the Ben Franklin Technology Partners Northeastern Pennsylvania located at 116 Research Drive Plaza Level Bethlehem, PA 18015.

The funding would be used for needed maintenance and upgrades to the Bloomsburg Regional Technology Center. An investment in a reliable HVAC and state-of-the-art telecommunication equipment is an important investment in a business incubator that help create 15 new business, 283 new jobs, and retain 1,774 jobs in the Bloomsburg area. I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "Dan Meuser".
