Committee on Appropriations

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for Identified Flood Control Projects for Columbia County in fiscal year 2023. The entity to receive funding for this project is the Columbia County Board of Commissioners located at 11 West Main Street Main Street County Annex Bloomsburg, PA 17815.

The funding would be used for engineering components to develop shovel ready projects that would be implemented based upon the cost benefit analysis identified during the engineering process. The flood control project would greatly benefit the residents of the Town of Bloomsburg because it would help address flooding from both Fishing Creek and the Susquehanna River. I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "Dan Meuser".
