The Honorable Rosa DeLauro

Committee on Appropriations

Washington, D.C. 20515

Dear Chair Cole and Ranking Member DeLauro:

I am requesting funding for the Danville Area Community Center Program and Facility Upgrades project in fiscal year 2025. The entity to receive funding for this project is the Danville Area Community Center, located at 1041 Liberty Street, Danville, PA 17821.

The funding would be used for renovating the community center, creating a new childcare space, as well as a new outdoor multipurpose space for youth soccer, basketball, and pickleball. The project is an appropriate use of taxpayer funds because it will help address the great demand of the community's residents for childcare and improve the community's ability to stay connected.

This project has a Federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Dan Meuser".
