The Honorable Tom Cole Chair Committee on Appropriations H-307 U.S. Capitol Washington, D.C. 20515 The Honorable Rosa DeLauro Ranking Member Committee on Appropriations 1036 Longworth HOB Washington, D.C. 20515

Dear Chair Cole and Ranking Member DeLauro:

I am requesting funding for the Endless Mountains Health Systems – Electronic Health Record Replacement Project in fiscal year 2025. The entity to receive funding for this project is Endless Mountains Health Systems Inc., located at 100 Hospital Drive, Montrose, PA 18801.

The funding would be used for replacing its electronic health record system with an improved system. The project is an appropriate use of taxpayer funds because it will support and improve primary and specialty care delivery throughout Susquehanna County.

This project has a Federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Dan Meuser Member of Congress
