The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations

Washington, D.C. 20515

Dear Chair Cole and Ranking Member DeLauro:

I am requesting funding for the Sunbury Flood Water Toe Drain Project in fiscal year 2025. The entity to receive funding for this project is The Municipal Authority of the City of Sunbury, located at 462 S. Fourth Street, Sunbury, PA 17801.

The funding would be used to replace a toe drain system. The project is an appropriate use of taxpayer funds because the toe drain system is an integral component of Sunbury's flood protection system that keeps the flood wall foundation free of hydrostatic pressure build up, helping keep the community's residents and infrastructure safe.

The project has a Federal nexus because the funding provided is for purposes authorized by section 203 of the Stafford Act (42 U.S.C. 5133), as amended by Section 1234, National Public Infrastructure Pre-Disaster Hazard Mitigation, of the Disaster Recovery Reform Act (DRRA) of 2018

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Dan Meuser".
