Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for Runway 13 Approach Lighting in fiscal year 2023. The entity to receive funding for this project is the Reading Regional Airport Authority located at 2501 Bernville Road, Reading PA 19605.

The funding would be used to construct approach lighting to Runway 13, which is the primary runway surface at the Reading Regional Airport. The Runway is 6,350ft long and 150ft wide. The runway is the preferred runway for business aircraft and our 737 charter operations. The lighting will meet all FAA requirements and improve the safety and accessibility of the runway. I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "Dan Meuser".
