Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for Richland Borough Water System Upgrade in fiscal year 2023. The entity to receive funding for this project is the Borough of Richland located at 5 Pine Street, P.O. Box 676, Richland, PA 17087.

The funding would be used for a water system upgrade that would consist of the installation of a well to provide an additional water supply. Along with the well installation the funds would be used for the installation of a 500,000 Gallon Elevated Storage Tank which would improve water system pressure, improve fire flows, and improve the reliability of the public water distribution system. I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "Dan Meuser".
