The Honorable Rosa DeLauro

Dear Chair Cole and Ranking Member DeLauro:

I am requesting funding for the Downtown Lebanon Parking Garage project for fiscal year 2026. The entity to receive funding for this project is the City of Lebanon, located at 753 Cumberland Street, Lebanon, PA 17042.

The funding would be used for constructing a parking garage on an underutilized city-owned surface lot in downtown Lebanon. The project is an appropriate use of taxpayer funds because it would address the city's lack of parking infrastructure by providing safe, accessible, and long-term parking in the city's Central Business District – supporting economic revitalization, residential growth, and transit connectivity.

The project has a Federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Dan Meuser".
