The Honorable Rosa DeLauro

Committee on Appropriations

Washington, D.C. 20515

Dear Chair Cole and Ranking Member DeLauro:

I am requesting funding for the Naaman Center Women's Expansion Project for fiscal year 2026. The entity to receive funding for this project is the Naaman Center located at 33 Teen Challenge Rd, Rehrersburg, PA 19550.

The funding would be used for constructing two 5,000 square foot facilities at the Naaman Center. One facility would serve as an activity and counseling area for its women's program; the second facility would provide additional capacity and housing for approximately 20 women patients. The project is an appropriate use of taxpayer funds because it will improve access to drug recovery and rehabilitation within the community.

This project has a Federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Dan Meuser".
