The Honorable Rosa DeLauro

Committee on Appropriations

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the City of Pottsville Police Department Headquarters Project for Fiscal Year 2027. The entity requesting funding for this project is the City of Pottsville located at 401 N. Centre Street, Pottsville, PA 17901.

The funding would be used to acquire and renovate an approximately 10,000 square-foot building located adjacent to City Hall in downtown Pottsville to serve as a modern headquarters for the Pottsville Police Department. The project is an appropriate use of taxpayer funds because the Police Department currently operates from the basement of City Hall, a facility completed in 1937 that no longer meets modern public safety operational standards. The project will provide secure evidence storage, modern holding and processing areas, investigative and administrative offices, officer locker and wellness facilities, ADA-compliant public access space, and modern security and technology infrastructure. The facility will also include flexible workspace for local, county, state, and federal partner agencies to improve coordination on public safety and emergency response while providing residents with convenient access to government services in a central location.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Dan Meuser".
