The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
1036 Longworth HOB
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Lebanon Transit Administrative and Maintenance Facility Project for Fiscal Year 2027. The entity requesting funding for this project is the County of Lebanon Transit Authority located at 200 Willow Street, Lebanon, PA 17046.

The funding would be used to support the expansion and modernization of Lebanon Transit's administrative and maintenance facility to consolidate operations, improve vehicle storage, and upgrade maintenance capabilities for the transit fleet. The project is an appropriate use of taxpayer funds because it will enhance the safety, efficiency, and reliability of public transportation services by providing adequate maintenance space, modern vehicle storage, and centralized administrative operations to better serve residents who rely on transit for work, school, healthcare, and other essential services.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Dan Meuser".
