The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations

Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the McIntyre Road Reconstruction Project for Fiscal Year 2027. The entity requesting funding for this project is Catawissa Township located at 153 Old Reading Rd., Catawissa, PA 17820.

The funding would be used for the comprehensive reconstruction of McIntyre Road (T-393), a 1.16-mile corridor that serves as a critical route for agricultural traffic traveling between State Route 487 and State Route 42. The project will stabilize and rebuild the roadway using full depth reclamation and improved drainage infrastructure to support heavy agricultural vehicles and improve stormwater management. The project is an appropriate use of taxpayer funds because it will improve roadway safety, support regional agricultural commerce, enhance stormwater management and water quality, and provide a long-term infrastructure solution for a rural community with limited financial capacity.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Dan Meuser".
