The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
1036 Longworth HOB
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Wyoming County EMS Regional Project for Fiscal Year 2027. The entity requesting funding for this project is the Wyoming County Commissioners located at 1 Courthouse Square, Tunkhannock, PA 18657.

The funding would be used to support the purchase and implementation of countywide emergency medical services system assets, including Automatic Vehicle Location equipment for EMS units, advanced life support equipment and medical supplies, EMS coordination technology, communications equipment, and a shared EMS equipment cache. The project is an appropriate use of taxpayer funds because it will strengthen emergency medical response capabilities across rural municipalities in Wyoming County, improve coordination and operational readiness among EMS providers, and help ensure reliable access to lifesaving emergency services for residents in a county that has lost its hospital and experienced reductions in local EMS capacity.

The project has a federal nexus because the funding provided is for purposes authorized under the Public Health Service Act.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Dan Meuser".
