The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
1036 Longworth HOB
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Schuylkill Regional Microwave Ring Network for Fiscal Year 2027. The entity requesting funding for this project is Schuylkill County Government located at 401 N 2nd St, Pottsville, PA 17901.

The funding would be used to construct a regional microwave communications network connecting existing public safety radio tower sites to the Schuylkill County 911 Communications Center. The project will create redundant communication pathways supporting the county's public safety radio system and other mission-critical communications used by law enforcement, fire, emergency medical services, and emergency management. The project is an appropriate use of taxpayer funds because it will strengthen the reliability and resiliency of emergency communications infrastructure and ensure uninterrupted connectivity for first responders during emergencies and disasters.

This project has a Federal nexus because it is for the purposes authorized in section 1701(b)(9) of the Omnibus Crime Control and Safe Streets Act of 1968.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Dan Meuser".
