The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
1036 Longworth HOB
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Susquehanna County P25 Radio Project for Fiscal Year 2027. The entity requesting funding for this project is Susquehanna County located at 31 Lake Ave, Montrose, PA 18801.

The funding would be used to implement a P25 Phase II digital radio system to replace Susquehanna County's outdated analog 911 communications network. The project will provide secure, encrypted communications, significantly improve portable radio coverage, and ensure reliable interoperability with neighboring counties and state and federal agencies. The project is an appropriate use of taxpayer funds because it will enhance the safety of first responders and the public by strengthening emergency communications reliability, expanding coverage, and improving coordination among law enforcement, fire, and emergency medical services.

The project has a federal nexus because the funding provided is for purposes authorized by 1701(b)(9) of the Omnibus Crime Control and Safe Streets Act of 1968.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Dan Meuser".
