The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
1036 Longworth HOB
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Williamsport Regional Airport Hanger Development Project for fiscal year 2027. The entity requesting funding for this project is the Williamsport Municipal Airport Authority located at 724 Airport Rd., Montoursville, PA 17754.

The funding would be used to prepare approximately 3.5 acres of airport property for hangar development at the Williamsport Regional Airport by relocating airport infrastructure, preparing the site, and constructing an access taxiway and apron to provide airfield access. The project is an appropriate use of taxpayer funds because it will expand the airport's capacity to accommodate additional aircraft and aviation-related businesses, support job creation, and strengthen the airport's role as a regional transportation and economic development hub.

The project has a federal nexus because the funding provided is for purposes authorized by 49 U.S.C. 47100 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Dan Meuser".
