

The One Big Beautiful Bill Delivers President Trump's Agenda

Historic Tax Relief That Will Unleash Economic Growth:

- Our One Big Beautiful Bill will deliver PERMANENT Trump Tax Cuts and BIGGER PAYCHECKS.
- President Trump is delivering the largest tax cut for middle- and working-class Americans in history.
 - Hardworking Americans will see a DOUBLE-DIGIT percent **DECREASE in their tax bills.**
- [With the passage of our One Big Beautiful Bill families can expect](#) to receive \$7,800 to \$13,300 more in annual pay.
- Fulfills President Trump's cornerstone campaign promises:
 - **No Tax on Tips:** American workers across dozens of industries depend on tipped wages to support their families. This policy will help them keep more of their hard-earned money and boost the economy. You earned your tip - you should keep it.
 - **No Tax on Overtime:** We are helping the men and women who put in long hours, pick up extra shifts, and keep the country running. No tax on overtime means hard-working Americans keep more of their earnings.
 - **Slash Taxes on Social Security:** We're delivering historic tax cuts for seniors on Social Security who deserve much-needed tax relief after four years of suffering under Bidenflation.
 - **Made in America Auto Tax Break:** Families will be able to fully deduct their auto loan interest for American-made cars, another promise made, promise kept.
- This pro-family legislation will increase the Child Tax Credit, establish MAGA accounts for newborns, and strengthen paid family leave.
- The One Big Beautiful Bill will unleash economic growth, ushering in a new Golden Age of prosperity for American workers, families, farmers, and small businesses.
- Unleashes American manufacturing dominance by rewarding companies that build new factories in the U.S. and lowering taxes for businesses producing domestically.

Permanently Secures the Border:

- The One Big Beautiful Bill will fund **the largest deportation effort in history.**
- This legislation [permanently](#) secures our borders by making the largest border security investment in history and empowers ICE to deport the millions of illegal immigrants that entered under Joe Biden.
 - Provides funding for AT LEAST one million annual removals, undoing the invasion ushered in under Joe Biden.
- The One Big Beautiful Bill gives our Border Patrol agents the strategic advantage they need and sends a clear message to the cartels, traffickers, murderers and any other criminals: you are not welcome here.

- Finishes the wall, stops fentanyl from flowing into communities, secures the border from dangerous illegal alien murderers and rapists, and gives our border patrol agents the tools they need.

Restores Fiscal Sanity:

- President Trump is reversing the spending curse in Washington D.C. This landmark legislation delivers the **largest deficit reduction in nearly 30 years, securing [\\$1.6 trillion in mandatory savings](#)**.
 - The \$36 trillion national debt crisis cannot be solved overnight, it's solved by advancing our pro-growth policies and taking bold steps towards fiscal responsibility-which is exactly what this bill does.
- The Trump administration remains focused on removing waste, fraud, abuse from all federal programs so that they can better serve the American people.
 - We will strengthen and protect Medicaid while ending taxpayer-funded free health care for [1.4 million illegal immigrants](#) and transgender surgeries on minors.
 - The Biden administration [mandated](#) that Medicaid [cover](#) transgender surgeries on minors. We are ENDING taxpayer funding for the mutilation and chemical castration of children.
 - Medicaid itself reported \$543 billion in improper payments, but external analyses show that the [true number](#) of improper payments is likely much higher.
 - We will ensure the welfare system better helps those most in need of assistance—expectant mothers, our seniors, individuals with disabilities, and low-income families by implementing common-sense Clinton-era work, volunteer, educational, and training requirements for able-bodied adults.
 - We believe those who can work should work, volunteer, or train for a new job. Right now, [4.8 million](#) able-bodied adults receiving Medicaid are choosing not to work. We want to lift up these Americans to find a better life through the dignity of work. Welfare should be a short-term hand-up, not a lifetime handout.
 - Republicans are ensuring SNAP prioritizes benefits for American citizens and protecting the program's long-term sustainability by closing loopholes used to game the system, cost-sharing with states, and implementing reasonable, historically bipartisan, work requirements.
 - We will also save Americans billions by ending the Green New SCAM.
- For decades, Republicans have promised to cut wasteful spending and reduce our national debt. President Trump is the first to take bold action and deliver results, securing \$1.6 trillion in mandatory savings while implementing policies that will unleash economic growth.

Unleashes American Energy:

- Just as promised, we will unleash American energy and Drill, Baby, Drill.
- Our One Big Beautiful Bill will unlock America's full energy potential and bring down costs for American families.
- We are reversing the anti-energy Biden-era policies that sent prices soaring across America, killed American jobs, locked up our domestic resources and granted unprecedented power to federal bureaucrats.
 - Rescinds BILLIONS of tax-payer dollars from the Green New SCAM.
 - Reverses Biden's EV mandates, restoring consumer choice and making cars affordable again.
 - Ends the Biden Administration's job-killing, pro-China, anti-American energy regulations.

- No longer lets radical climate activists set the standard for American energy.
- Reliable and affordable energy is critical for our national security. Energy abundance sparks economic abundance.

Revolutionizes our National Security:

- The One Big Beautiful Bill ensures our country's weaponry and defense systems are modernized to protect our homeland against 21st-century threats.
- This bill is a once-in-a-generation opportunity to revolutionize our nation's defense capabilities with historic investments in cutting-edge technology.
- It ensures our military remains a ready, capable, and lethal fighting force, equipped to protect America against any threats.
- After four years of appeasement and wars through weakness, America's national defense systems face extraordinary challenges. This legislation makes our national security paramount.
- Historic investments in our One Big Beautiful Bill will help achieve President Trump's peace-through-strength agenda.
 - It secures President Trump's **Golden Dome missile defense** shield to protect American families in the 21st century.
 - It fulfills President Trump's plan to **overhaul our air traffic control systems**, correcting the Biden administration's failures that have put American lives at risk, and ensures Americans fly safely and efficiently.
 - It delivers on President Trump's commitment to **restore America's maritime dominance** with critical investments in American shipbuilding that will advance the capabilities of our naval fleet.
 - This bill modernizes the Coast Guard, upgrading ships, planes, icebreakers, and facilities to keep our homeland safe.
